JFK - The Case for Conspiracy

Presentation by Leading Expert at Charlotte Harbor
Event Center **February 21 at 7 p.m.**

Questions surrounding the assassination of John F. Kennedy still abound nearly 50 years after his death for historians to ultimately discover the answers.

One man who has spent a lifetime dedicated to research and writing about this tragic event in our nation's history will be in Punta Gorda to present on the *Killing of a President* on February 21st at 7 p.m. at the Charlotte Harbor Event and Conference Center.

Robert Groden, one of the leading experts on the assassination of President John F. Kennedy is the world's leading expert on the photographic evidence in the JFK case. Mr. Groden has written five bestselling books about the assassination, the conspiracy, evidence, the cover-up, and suspects involved. His book, *High Treason*, was on the *New York Times* bestseller list for eleven weeks, peaking at number two.

Mr. Groden was the chief consultant to Oliver Stone throughout the filming of the epic movie JFK. He is a leading critic of the Warren Commission, and was the first

person to bring the Zapruder film to national TV in 1975, on Good Night America with Geraldo Rivera. His efforts that year proved instrumental in forcing Congress to reopen the investigation creating the House Select Committee on Assassinations, where Mr. Groden served as staff photographic consultant for three years. Mr. Groden was also senior program consultant to the 1988 landmark British documentary mini-series *The Men Who Killed Kennedy*.
