

BSIA POLICIES

Policy # 2005 – 0001: Membership Dues

The BSIA Bylaws require membership dues to be payable on January 1st of each year and are considered delinquent if unpaid by January 31st. However, as membership enrollment is available throughout the year it was necessary to develop a policy to account for those enrolling during the year.

Accordingly, the following policy is adopted: Effective July 1st of each year the dues are reduced by \$10.00 through November 30th. Any dues received on or after December 31st will be for the full amount and credited to the following year.
